

## PRODUCT INFORMATION

<b>Item Number</b>	<b>CFC</b>
<b>Product Colour</b>	<b>Grey/Black</b>
<b>Size Range</b>	<b>6-12</b>
<b>Primary Coating Polymer</b>	<b>Nitrile</b>
<b>Grip</b>	<b>Full Sandy Nitrile Coating</b>
<b>Cut Score</b>	<b>B</b>

## FEATURES

**Comfort:** Yarn make-up has been optimised to make the glove as flexible as possible. This combined with a coating developed over a long R&D process; ensures the hand fatigue usually associated with fully coated gloves is minimised

**Grip:** Developed specifically to deal with dusty conditions, the fully coated sandy nitrile coating ensures hands are kept clean and safe in the most challenging environments

**Cut Resistant:** Achieves cut level B according to EN388, for protection in medium/low risk cut hazard applications

**Closure:** Elasticated knitted wrist provides a secure fit and keeps hands free from dirt and debris

**Comfort:** The breathable, super-lightweight construction of the cut resistant liner ensures ultimate comfort at all times

**Abrasion Resistant:** Achieves a maximum score of Level 4 for abrasion resistance as defined by European Standard EN388

**Primary Coating Polymer:** Nitrile

**Fit:** Soft seamless knitted liner provides superior comfort for this level of protection

The glove has been designed to be tight fitting to give maximum dexterity in the most delicate of applications

**Unique Feature:** SilverClear® glove formulated from silver, a powerful and proven antimicrobial agent that inhibits bacterial, fungal and viral growth. The additive will protect the gloves from microbial growth but also from mould and bad odours avoiding premature material degradation and discolouration.

## SECTORS

Automotive • Construction and Utility • Engineering and Manufacturing • Oil, Gas, and Renewables • Waste Management and Local Authority

## STANDARDS

4X42B

## CAUTION

May contain latex in elasticated cuff which can cause allergic reactions, including anaphylactic response.

## STORAGE INSTRUCTIONS

Store in dry conditions, away from direct sunlight and extreme heat. It is recommended to retain the packaging for reference. Always inspect gloves prior to use and do not use if damaged or showing signs of wear and tear.

## DISPOSAL INSTRUCTIONS

Dispose of the product responsibly in accordance with local regulations.
