Polyco

PRODUCT INFORMATION

Item Number	PHYKC
Product Colour	Blue/Black
Size Range	6-11
Primary Coating Polymer	Nitrile
Grip	Nitrile Knuckle Coating
Abrasion Level	4

FEATURES

Grip: The lightweight nitrile knuckle coating is infused with air bubbles to provide an inherent cushioning effect and an enhanced grip in dry, damp and oily conditions

Unique Feature: Tactile touchscreen compatible fingertips enable the wearer to use touch screen machinery or touch screen devices with precision and without the need to remove the glove
The Hydrophobic solution, which is applied through an intensive washing process, allows for a comprehensive and robust 3-Dimensional water resistant performance in wet and challenging conditions while maintaining maximum breathability

Comfort: The soft seamless knitted nylon liner and highly flexible coating ensures ultimate comfort and allows for long periods of wear without any signs of hand fatigue

Abrasion Resistant: Achieves a maximum score of Level 4 for abrasion resistance as defined by European Standard EN388

Primary Coating Polymer: Nitrile
