

# ESD Basic

## The tried-and-tested all-rounder for use in ESD areas

ESD Basic is the low-cost ESD model from Bimos which provides excellent value for money: With its ergonomic design, high standard of user comfort and reliable ESD protection

system that ensures a discharge resistance in accordance with EN 61340-5-1, it has all the essential attributes of a high-performance workplace chair that has been designed specifically for the electronics industry.

## The characteristics of the Bimos ESD protection system

\* These features only apply in the case of the ESD plus option.

## Available in two different frame colours

# ESD Basic

## Design and materials

ESD Basic has conductive covers. It features a sturdy five-legged base frame with flat lines, which is made from epoxy-resin coated sectional steel tubing and provides good stability. The frame is available in either black or light grey.
